

Homework ideas!

Reading - at least 3 times a week please. Reading should be fun and enjoyable. When you have read to an adult, get them to sign your diary.

In art this term there is a focus on texture. Do your own research on artists such as Segundo Bordalo II and Vincent Van Gogh. Present this any way you choose.

What is your favourite animal? Write a poem that explains why it is your favourite.

On Friday mornings we read newspapers and catch up on world news. Bring an article from home that you found interesting and share it with the rest of the class.

We also have a spelling challenge on Friday morning. Every time you practise at home bring them in and you will get a star. 😊

Thank you for reading this newsletter, we hope you have found it useful to know what your children will be learning about this term.
