The Annual General Meeting will be held at Town Site on Friday 22nd November at 9.30am. We are looking for proactive passionate people who are willing to give a few hours of their time to help support the "Friends of Newark Orchard School". All proceeds go to the children to help support and provide items for them. We are a small and very friendly team. If you feel you would like to join please get in touch!

During the last school year Friends helped to buy resources for an Arts Week for the whole school, a Play Station and TV for Post 16, resources to support the Harry Potter topic, individual cameras for every class, mobile changing plinth, resources for the gardening club, resources for Science, pool cues and pool balls and a Touch and Tilt interactive table.

If you own a small business or know of anyone with a business who can offer any donation towards raffle prizes, we would love to hear from you! It all helps the Friends and most importantly the children.

This year we hope to support the school with any requests. We need to raise funds towards the new school build. We are looking to support a sensory garden, outdoor play equipment, soft play and much more!!!

We desperately need people to join our team who can offer support and help.
