

<p>English Please read regularly with your child at home and practise their spellings or writing their name. Due to Corona we are limiting the number of times we send new books home. We can currently send you a pack of 5 books which should last at least a week. Please send back to school when they need changing.</p>	<p>Maths We will continue to work on securing our understanding of number and of addition, subtraction. We will also be working on lots of practical activities linked to measure looking at length, weight and time. Some excellent games on: www.topmarks.co.uk</p>	<p>Science In science we will be focusing on investigations this term. We will be looking at different materials and the changes that happen to them. We will be creating volcanoes and melting chocolate. Also, we will be looking at sound and creating different sounds. It would be good if at home while cooking you could discuss the different mixtures/ textures and changes and look at different sounds that can be heard in the community.</p>
<p>History / Citizenship We will be learning about mountains and the country side. We will link our learning to non-fiction research in English about volcanoes. At home you could go for a walk and appreciate the country side, or even climb a mountain (or hill)!</p> <p>RE What is good and right? What do we think is right or wrong? What do different religions teach about goodness?</p>	<p>Computing We will be learning about animation and make our own post-it flip book. We will use ipads to create our own animated stories. We will also follow, create and debug algorithms / Programming Lightbot and other iPad coding aps</p>	<p>Relationships We will be learning about the importance of staying safe. We will look at staying safe at school and the areas around school such as the playground and cookery room. We will also look at staying safe around the home. In the bedroom, living room and bathroom. It would be useful if at home you can talk to your child about safety rules and link this to school.</p> <p>Careers</p> <p>We will also be learning about the importance of rules in school, at home and in the community. Playing games are a good way of reinforcing the need for rules.</p>
<p>Art We will experiment with drawing, by using a variety of media. We will link our work</p>	<p>DT This term we explore packaging and branding of sweets and chocolates. We will compare</p>	<p>You can always email photographs of what you get</p>

<p>to <i>Geography</i> and create different landscapes using art. We will use watercolours and paint and base our work on local art and artists.</p> <p>Phillip Hughes David Hockney (Contemporary)</p>	<p>flavour and packaging of chocolate bars. We will also design our own chocolate bar</p>	<p>up to at the weekend and/or holidays to: jnusselder@newarkorchard.notts.sch.uk</p>
