

Welcome back from the class 13 team hope you had a great Easter break.

Numeracy

- Can you make a shape picture?
- Can you notice different shapes in your environment e.g a plate is a circle.
- Can you count how many people live with you?
- Play counting games and sing counting rhymes at home

Literacy / topic

On the farm

[Old MacDonald | Real Animals | Jack Hartmann | Farm Animals Song - YouTube](#)

Share the Jack Hartmann old mcdonald song. Can you name the animals? Can you say what noise they make?

[Old McDonald had a Farm- CVI Adapted Activity with Choice Making, Visual Cues and Animal Sounds! - YouTube](#)

Can you guess which animal is making the noise?

The zoo

Read dear zoo, talk about the animals in the book. Create your own lift the flap book with your favourite animal

Life skills

Life skills are a big part of class 13s daily routine. We try to get out in the community as much as possible. If you visit somewhere special or new please take photos and send them into school or via my email address

Key information for Summer term

- We have begun to start hydro sessions in the pool this term, we will put a note in each week if swimming kit is needed.
