The qualifications offered at this centre are decided by the school leadership team.

The subjects offered in any academic year may be found on the school website (www.newarkorchard.notts.sch.uk). Parents/carers and students are briefed appropriately at the transition phase and at Education Health Care plan reviews. If there has been a change of syllabus/specification from the previous year, course information must be changed with student records and the exams office must be informed by the 1st October for all qualifications.

3. Exam seasons, timetables and clashes

3.1 Exam seasons

The Deputy Head/Curriculum Leaders have responsibility for giving the exams office the appropriate notice period for scheduling of internal exams which contribute to summative assessment.

External exams are scheduled throughout the academic year and on demand with the appropriate notice adhered to. Subject Leaders must liaise with Curriculum Team Leader/Exams Officer to oversee and plan the scheduling of exams for their area. This includes decisions on exams series.

All internal exams are held under external exam conditions.

3.2 Timetables

The Exams Officer will notify in morning briefing and at department meetings, the rooms in use for exams. Allocation of Invigilators will be the responsibility of the Exams Officer.

4. Entries, entry details, late entries and re-sits

4.1 Entries

Normally candidates are selected for their exam entries by the Subject Leaders. However, a candidate has the right to request a subject entry, change of level or withdrawal but there would be an expectation that this would be following a discussion with their Curriculum Team Leader and Deputy Head.

Entry deadlines will be circulated to teachers via email.

The exam centre does not act as an exam centre for other organisations.

4.2 Entry details

All individual candidate statements of entry will be sent to the Exam Officer/Deputy Head.

The exams office will accept withdrawals, amendments and changes of tier up to the dates set by the awarding organisations. These deadlines are available from the exam's office or the awarding organisation websites.

4.3 Late entries

Late entries are authorised by the Curriculum Team Leader and Deputy Head.

The deadlines for late entries are available from the exam's office or the awarding organisation websites.

Under extreme circumstances, very late entries will be accepted, but these will be subject to a fee levied by the awarding organisation. Any entries or amendments made after an

awarding body deadline will require the authorisation in writing from the senior leadership team.

4.4 Re-sits

Re-sit decisions are made in consultation with the Teacher, Deputy Head and Head Teacher.

4.5 ULN – Unique Learner Numbers

A unique learner number is a ten-digit number and is unique to the learner. It is used in England, Northern Ireland and Wales. Information can be found at www.learningrecordservice.org.uk.

We need a ULN. The awarding organisation use it to populate a central personalised learner record in relation to qualifications achieved by the learner within the QCF framework.

The ULN is a mandatory requirement.

It is the responsibility of the centre to obtain and validate a ULN for the learner from the Learning Records Service (LRS). To obtain a ULN, a centre must be registered as a Learner Registration Body.

5. Exam fees

Normal registration and exam fees for the first sitting are paid by the centre for fully funded candidates with an active enrolment.

Late entry or amendment fees are paid from the accreditation budget.

Re-sit fees are paid by the centre and agreed by the Senior Leadership Team.
(See also section 4.4: Re-sits)

6. The Disability and Equality Act, special needs and access arrangements

The exam centre staff must ensure that they meet the requirements of any equality legislation.

6.1 Disability and Equality Act

The Disability and Equality Act 2010 extends the application of the Disability Equality Duty in the DDA to general qualifications. All exam centre staff must ensure that access arrangements and special consideration regulations and guidance are consistent with the law, awarding bodies and JCQ. This is the responsibility of the Senior Leadership Team.

6.2 Special needs

Discussions will take place between the Deputy Head/Curriculum Team Leader and the subject Leader to decide any special arrangement for the exam. The Exam Officer will inform the subject Leader and candidate that the special arrangements have been granted.

6.3 Access arrangements

Candidates who may require access arrangements are identified during and at the start of the course.

Subject Leaders identifying candidates who may require access arrangements after the start of the course should contact the Deputy Head/Exams Officer at the earliest opportunity. It is the Subject Leader's responsibility to ensure arrangements are made as soon as possible after the start of the course.

Applying for access arrangements via the JCQ AAO tool is the responsibility of the exam's office. All access arrangements and reasonable adjustments will be in line with JCQ recommendations 1 September 2018 to 31 August 2019.

7. Estimated grades

Estimated grade forms are to be completed and returned directly from the teachers to the exams office in order to meet the awarding organisations' published deadlines.

8. Managing Invigilators and exam days

8.1 Managing Invigilators

External staff will not be used to invigilate exams due to the needs of the students. Internal invigilators will be used for all exams.

The recruitment of Invigilators is the responsibility of the exams office.

Securing the necessary Disclosure & Barrings Service (DBS) checks for new Invigilators is the responsibility of the school.

DBS fees for securing such clearance are paid by the school.

Invigilators are timetabled and briefed by the exam's office.

Due to the nature of the students, internal staff will be trained for invigilation.

8.2 Exam days

The Exams Officer will book all exam rooms after liaison with other users.

The 14-18 staff are responsible for setting up the allocated rooms as advised by the Deputy Head/exams officer.

The Lead Invigilator will start and finish all exams in accordance with JCQ guidelines.

Subject staff may be present prior to the start of the exam to assist with identification of candidates but must not advise on which questions are to be attempted and must leave the venue before the examination begins.

In practical exams Subject Leader may be on hand in case of any technical difficulties.

Exam papers must not be read by Subject Leaders or removed from the exam room before the end of a session. Papers will be distributed to Subject Leaders the following day.

After the exams, the exams officer will arrange for the safe dispatch of completed examination scripts to awarding bodies.

9. Candidates, clash candidates and special consideration

9.1 Candidates

Candidates will be known to all internal staff and therefore official forms of identification are not required. A briefing session will be given to candidates by the exam's officer/class teacher.

JCQ rules on candidates' use of mobile phones and all electronic devices apply at all times.

Normal centre rules on dress and behaviour apply.

Candidates' personal belongings remain their own responsibility and the centre accepts no liability for their loss or damage.

In an exam room, candidates must not have access to items other than those clearly allowed in the instructions on the question paper, the stationary list, or the specification of that subject.

Disruptive candidates are dealt with in accordance with JCQ guidelines.

Candidates will not be allowed to leave the exam room until the published finishing time.

The exams office staff will attempt to contact any candidate who is not present at the start of an exam and deal with them in accordance with JCQ guidelines.

The Exam Officer will provide enough equipment for the candidates.

Candidates who leave an exam room will be accompanied by staff at all times.

9.2 Clash candidates

The supervision of candidates between exams is the responsibility of the exam's office. In cases of overnight supervision candidates need to complete the appropriate documentation in accordance with JCQ regulations.

9.3 Special consideration

Should a candidate be too ill to sit an exam, suffer bereavement or other trauma or be taken ill during the exam itself, then it is the candidate/parent/carers responsibility to alert the School and Exams Officer.

The candidate must support any special consideration claim with appropriate evidence within seven days of the exam, for example a letter from the candidate's doctor.

If the school supports the application, the exams office will then forward a completed special consideration form to the relevant awarding organisation within the JCQ's recommended deadlines and guidance.

10. Controlled Assessment, coursework and appeals against internal assessments

10.1 Coursework

Curriculum Team Leaders/Deputy Head will ensure that all internal verification is completed by school internal deadlines. The exams office will ensure that the work is despatched at the correct time and that a record of what has been sent, when and to who is maintained.

Marks for all internally assessed work are provided to the exam's office by the Subject Leader. These should be received by the exams office in order to meet the internal exams office deadline.

- To ensure that there is accurate and detailed recording of internal verification decisions and an internal verification timetable.

In order to do this, the centre will ensure that:

- A Lead Internal Verifier for AIM and ASDAN has taken part in internal verification courses run by AIM.
- Each Lead Verifier oversees effective internal verification systems and adheres to internal verification timetable.

12. Results, enquiries about results (EARs) and access to scripts (ATS)

12.1 Results

All individual candidate statements of results for general qualifications received during the course will be emailed or text to the students' parents/Carers email/phone accounts.

12.2 Enquiries About Results

EARs for general qualifications may be requested by centre staff or candidates if there are reasonable grounds for believing there has been an error in marking. The awarding organisation's fee is payable by either the candidate or the curriculum area depending on who has requested the EAR.

The cost will be paid by the school unless the request is not supported.

12.3 Access To Scripts (applicable to General Qualifications only)

After the release of results of general qualifications, candidates may request the return of papers within the awarding organisations' stated deadlines.

Where an awarding organisation supplies the requested script electronically, the exams office will send the document to the Parent/carers email account or print a copy.

If a result is queried, the exams office in conjunction with teaching staff or Head of centre will investigate the feasibility of asking for a re-mark at the school's expense. Otherwise the candidate will pay for the remark themselves.

Subject Leaders/Curriculum Team Leader may also request scripts for investigation or for teaching purposes. For the latter, the consent of candidates must be obtained.
(See also Section 5: Exam fees)

13. Certificates

- Certificates are posted (by recorded delivery where stipulated by the awarding organisation), or collected in person if a candidate request this. In addition, candidates will sign for their certificates to say they have received them.

Certificates are not withheld from candidates who owe fees.
