

## Homework Autumn 2022

Choose 3 or more from the grid below. You can email a photo of you completing the task, a photo of the completed work or write us a response to tell us how you have got on.

In English, we are looking at twisted traditional tales. These are traditional stories like The Three Little Pigs but with a twist. We will be covering the following traditional tales; The Three Little Pigs, Cinderella, Snow White and The Seven Dwarfs and Goldilocks and The Three Bears.

Within Maths this half term some pupils will continue to work on their maths accreditation, others will be starting their accreditation and a few will be preparing to start. The focus will be on properties of number. Here the children will look at numbers in greater detail and learn more about what makes up a number. Once a better understanding of number has been grasped this will help the children with everyday life skills such as giving change and adding and subtracting larger numbers.

In our topic sessions the focus will be on health living. We will be learning about the human body and how to keep it ticking over. We will also be looking at the Eatwell Plate and using this to plan balanced meals.

<p><b>Impress those at home with your knowledge of the Eatwell Plate by planning a balanced meal. Make a shopping list and shop for the ingredients. Follow the recipe and share with those at home.</b></p>	<p>Use someone at home to be your human skeleton model. On post-it notes write down as many names of human body bones as you can remember. Stick the post-it notes onto your chosen person to show where the different bones in the body are.</p>	<p><b>Look in the fridge at home and sort the foods into the 5 food groups;</b></p> <ul style="list-style-type: none"><li>• <b>Protein</b></li><li>• <b>Carbohydrate</b></li><li>• <b>Fruit and Vegetables</b></li><li>• <b>Dairy</b></li><li>• <b>Fats</b></li></ul>
<p>Choose 3 different rooms in your house and write a list of the different types of technology that are in them. Here are some examples;</p> <ul style="list-style-type: none"><li>• Computer</li><li>• Ipad</li><li>• Speakers</li><li>• Food mixer</li><li>• radio</li></ul>	<p><b>Make a mood board of all the things you like. These can be things cut of magazines, newspapers, or catalogues, things printed off from your phone or computer, things you have drawn or photographs of activities you have done</b></p>	<p>Using a budget of £50 design your dream bedroom. To find out the prices of different items you can look in magazines or catalogues or use google on your phone or computer. Make a list of the things you want and how much they cost.</p> <p><b>REMEMBER: your budget is £50</b></p>

Take a picture of your written work and send us the photo or type your response to:
