

Class 4

Homework ideas for spring term

Subject:	Topic –	Topic –
English Phonics	Space Sharing stories is a lovely thing to do. What stories have you got at home to share that link to our themes of space and animals far away? Aliens love underpants? Rumble in the jungle? Please share with us what stories you find.	Animals from far away The focus phonics sounds for class 4 are set 1 and set 2. These are: S A T P I N D Sounding out and repeating is a great way to encourage the sound development.
Maths	Our focus for maths this term is comparison. Looking at big and small, tall and short. Can you find things around your house, are they big, small? Lots of focus will be put on the language to support this area of learning.	Filling and emptying containers is a great activity, full, half full and empty. Who is the tallest and the shortest in your house? Have fun exploring all the ways that this area of learning can be discovered at home and out and about.
Science	At night time can you see the stars in the sky? How far away do you think they are? Sometimes at night you can see more than just the stars, why not give it a try.	Using a computer, can you explore animals from far away. Looking at pictures of them in their homes and places they live. Do you have a favourite?
Life skills	<i>Being independent is our focus this term, we will be looking at all the ways and things we can do for ourselves and how we can look after ourselves.</i>	<p style="text-align: center;">Brrrr, it's cold out. That's not my coat! Can you find your coat? Put it on, take it off, put it away? Let's get that zip pulled up!</p>
Things to make	A spaceman helmet. Moon snack 	Animal masks. Animal print patterns. Paper plate snakes.
