

THE KEY

The Key Voice

Would you or your young person like to be involved in shaping this new service? It is so important that parents, carers and young people have a voice in services that affect them and are able to feedback and evaluate these services. Drop us an email to find out more.

PARENT CARER INTERACTIVE WEBINARS

Please email if you wish to book a place as tickets are limited.

SEND AND PREPARING FOR ADULTHOOD

- Special education needs planning for post-16 and post-19 provision
- Social care duties: the transition assessment process, adult social care assessments and carers' assessments
- NHS funding to meet a young person's primary health needs
- The interplay between education, social care and healthcare – whose responsibility is it

TUESDAY 13 June 8pm via ZOOM

SCHOOL 'REFUSAL' & ATTENDANCE DIFFICULTIES

- Early signs of school attendance difficulties and what they can tell us
- School-based trauma and anxiety: what causes it and how it impacts
- Blame culture: school blaming home, home blaming school
- Accusations of Fabricated or Induced Illness (FII)
- What does the law say?
- What is the impact of fines and punishments

THURSDAY 15 June 8pm via ZOOM

SUPPORTING PDA IN EDUCATION

- What is PDA?
- Recognising the PDA profile presentation
- Supporting parents, carers and siblings
- Making reasonable adjustments

Aimed at educators but useful for parents and carers too.

TUESDAY 27 June 8pm via ZOOM
