Newark Orchard School Dress Code Policy December 2023

Introduction

Newark Orchard School aims to promote an inclusive environment where students feel safe, confident and respected. The school will ensure that all students have the opportunity to wear appropriate clothing which they feel most comfortable in order for them to fully participate in all aspects of school life. This policy reflects the Human Rights Act therefore;

- Will not be discriminatory
- Will help foster positive relations
- Will not be based on stereotypes and will recognise gender expression
- Will recognise religious beliefs
- Will not add additional financial demands on parents/carers

Newark Orchard School adopts the approach of having a non-compulsory uniform in recognition that for some SEND students, some textures and materials can be irritating to their condition and for whom having to wear certain items can be a barrier to regular school attendance and prohibits access to learning. However, for some students, the predictability and regular routine of wearing a school uniform can be helpful for others and items such as a polo shirt, T shirt, sweatshirt and jacket with the school logo on are available to purchase by following the link below or via the school website
