

## Homework Spring 2024

Choose 3 or more from the grid below. You can email a photo of you completing the task, a photo of the completed work or write us a response to tell us how you have got on.

In English, this term, we will be looking at Superhero stories. We will be looking at the texts; 'Supertato', and 'Superkid'. We will be incorporating basic sentence structure including the correct punctuation for sentences, the use of phonics to read and spell unfamiliar words and handwriting – starting and finishing letters in the correct places.

Within Maths this term we will be revisiting and consolidating basic Maths skills. We will be looking at number recognition, sequencing and ordering numbers and making sets or groups of numbers. We will also cover naming common 2D shapes, sorting shapes using a given criteria and matching colours.

In Science the focus will be on everyday materials. We will look at naming different types of material, naming different objects made from different materials and the properties of materials.

Topic sessions this half term will have a variety of topics. History will be looking at significant historical figures and events such as Louis Braille and the Kings coronation. In Life Skills we will be looking at healthy living and personal care. RSHE will be looking at friendships. RE will be looking at inspirational leaders.
