

Happy New Term!!!

We hope you all had a good
Easter.

This newsletter will inform you
of some of the wonderful things
your child will be doing this term
during our topics
'Scrumdiddlyumptious' and
'Look around you, what do you
see?'

Class 9 Newsletter

SUMMER TERM
2024

Literacy

Weekly ongoing key skills-
reading/comprehension/spellings / handwriting and
PPSEN.

In English this term Class 9 will be working on 'How
the Whale became' by Ted Hughes. These classic
stories explore morals. Each story will have
related work covering pupil's English targets and
address subjects such as problem solving.

We will also be looking at his poetry and learning
about their features.

Non-Fiction - explanation text-why something
happens or why something works.

Numeracy

Number- all four operations,
patterns in numbers

Shape- measure, 2d and 3d
shapes, understating and using
positional language

Data handling- creating charts
and answering questions

Each week pupils will concentrate
on specific Maths ensuring that
learning is secure. Sessions are
varied, practical and fun, with
achievable targets.

Science- living things and
habitats

Art- Landscapes

D&T- Food technology-
sweets

RE- Enquiry: What is good
and right? What is wrong
and evil?

Relationship & Sex Ed-
Being Safe + Health and
prevention

PE- Tennis/Outdoor &
adventure

PE will continue to be on Fridays.

We have a 'Pupil of the
Week' assembly every
Friday to celebrate our
pupil successes across the
school.
