

# Homework Summer H1.5 2024

Choose 3 or more from the grid below

<p><b>Continue to develop your cookery skills by planning to make something. Make a shopping list and shop for the ingredients. Follow the recipe and share with those at home.</b></p>	<p>Keep up your healthy lifestyle; eating good foods and getting daily exercise.</p>	<p><b>Devise and stick to a personal hygiene routine to ensure that you stay clean and healthy.</b></p>
<p>Use the information and knowledge you have gained in Computing lessons to stay safe online. Follow E-safety rules when on social media and playing online games</p>	<p><b>Learn a new skill, anything at all. Practice and amaze us in class with your new found talent.</b></p>	<p>Continue with your Science experiments: look up some simple experiments and have fun! (Ask your grown-up first and then have supervision.)</p>
