

H1 Spring 2025: Homework Ideas

Maths

We continue to work on counting and writing numbers throughout all our work

Can you write number 1-10 / 1-30/ 1-100 and recall the order they go in?

[Counting 1 to 20 | Number Songs | PINKFONG Songs for Children](#)

[Let's Count To 100 | ft. Finny the Shark | Super Simple Songs - YouTube](#)

English and Science

Our science work this term is light and sound.

Make shadow puppets and use torches in a darkened room to cast their shadows and tell fairy tales to each other.

Listen for sounds when out and about and play sound bingo.

History

Look through photo albums of family adventures to discuss their own history. Look through older family pictures and discuss the passing of time and how life has changed over the years.

DT

We are learning to make fairy cakes at school this term. Practice baking, encouraging children to take part in family cooking and all the aspects involved such as buying ingredients, following a recipe, baking and tidying.

Music

Listen to a variety of songs and learn to sing along

Computing

Can you design and draw a robot and write a list of the skills that it has?

Remember to take a picture of your work and upload it to Tapestry so that we can share it all with your friends
