

Welcome back after the Christmas holidays!

If you need to contact staff about your child's education and wellbeing please see emails below. Or please call school.

Clare McGaghan

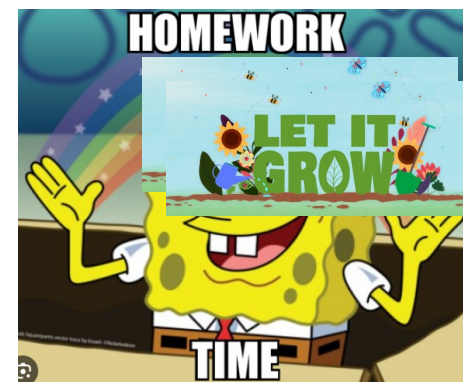

clare.mcgachan@newarkorchard.hotts.sch.uk

Teaching assistants in Class are:

Rachel Godfrey

Charney Godney

Shannon Lee

Maths

Number

Recognising numbers to 10 and beyond and matching quantities

SSM

Recognising size, naming 2D and 3D shapes

Using and Applying

Recognising patterns, sorting objects and using mathematical language

Science

Plants—classification and life cycles

Can you plant some flowers at home? Or Grow some grass heads? Look at different plants you have in your garden and in the local area

Literacy

Please read as often as possible, a book will come home from the library. Please read at home as often as possible and please fill in the yellow reading diary.

Our topic is 'Let it grow' this term. We are learning about lots of different plants and creating and following instruction texts. We are also reading a huge variety of non fiction texts which discuss key issues such as deforestation, recycling and reforestation. The students have already shown a great interest in this topic.

Our phonics scheme, Read write Inc, has been embedded fully and students engaged in this are thriving with their reading. We are all so proud. Books should come home on a weekly bases if your child accesses this and books should be added for homework on a weekly bases on the Oxford Owl website.

Key information for Spring term

- PE is on a Wednesday. Please come into school PE kit ready or bring a PE kit to school. We are practising our balancing skills
