Homework Ideas Class 7 (Term 3)

The themes for this term are 'Superheroes in our garden' and 'Vikings' so these will be featured throughout their timetabled lessons.

English

This term in English your child will be looking at stories and nonfiction work about minibeasts and Vikings. They will also be working towards their individualised SOLAR targets which include improving communication, reading and writing.

Things you can do to help your child improve these skills at home include the following:

- Show your child a story about minibeasts and/ or vikings
- Recognising/ reading words/ sentences from magazines or stories you have

Maths

This term in Maths children will be working towards individualised SOLAR targets, these include improving skills in the areas of number, shape and using and applying.

The activities suggested below will help your child to improve related skills.

- Recognising 2D shapes in household objects
- Counting items in ones, twos, fives or tens
- Play matching game (dominoes, pairs etc)

'Top Marks' has some good mathematical games for children to play if they have access to a tablet/ iPad and the internet

Other subjects

In Science your child will be learning about materials and their properties, you could ask your child to find a selection of items and then to name what material each item is made from

In RSHE your child will be learning about changing bodies and online relationships

In PE your child will be participating in team building activities and games
